RE: Roberta Franklin

To/The Honorable Judge Truman Hobbs  
251 South Lawrence Street  
Montgomery, Alabama, 36104

Dear Sir:

I am writing you in regards to Roberta Franklin, who has been charged with food stamp fraud.

Let me assure the charge on her is fraud. She never, ever, on purpose took food stamps. She offered to pay them back and they choose to bring her to court. She has a small child. It does not make sense to not allow her to take care of a mistake. I myself will help her to pay this bill.

Roberta is always honest. She is also a worker to bring rehabilitation into our inmates. She has organized a march on Washington DC to bring justice and rehabilitation to inmates. She is sober and straight and trying to help others. Everyone loves and respects her.

I was told by Roberta that you are honest and fair. Please drop these charges and let her pay back any excess.

Sincerely  
Wanda Valdes

PS we are expecting thousands at our march in Washington DC, August 13, 2005
