Ref. Homicide - Sweeney Residence

When I arrived at Robbie Caete's Residence along with Chief Jones and Investigator Walters Robbie came to the door. As she opened the door I saw Pat Sweeney sitting at the dining room table. I told Robbie that we needed to see Pat. She invited us in, I walked over to where Pat was sitting and told him (Pat we need to talk to you at City Hall and I think you know what it is all about.) Pat answered (Yes I do) He then got up from his chair his mother ask me (Are they both dead?) I answered (Yes they are.) Investigator Walters searched Pat and escorted him to the car. I ask his mother (Do you know where the gun is?) She answered (Yes but I don't know if I should give it to you or not.) I told her (We have got to have the gun.) She lead me outside on the front porch where there was some type of rack with a white towel on top of it and under the towel was a rifle. She handed me the gun and explained that she and Robbie took the gun out of Pat's truck and hid it from him because they were scared that he might try to harm himself. (SE)
