Re: Civil Case File No. 07-CV-3325

Patty Baker
Clerk, Superior Court of Cherokee County
90 North Street
Canton, Georgia 30114

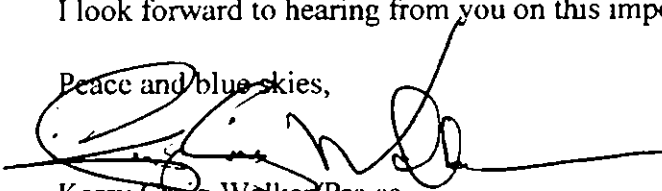

Ms. Baker,

I would like to file a formal complaint against **Deputy Clerk Missy Bergman** for extreme prejudice, dishonesty, and incompetence. She has also impeded justice in my civil case by playing lawyer and not adhering to the letter of the law. Please advise me of the proper steps to file such a complaint.

Basically (in layman's terms) she does not understand the complexity of my case as there is now a **final judgment** which allows for appeal. My first attempt at appeal was **premature** because all issues had not been resolved in the court's **ORDER** and therefore the appellate court did not have **jurisdiction**. Now that the expungement claim has been resolved by the Honorable Judge Murphy C. Miller **GRANTING** my expungement claim the **ORDER** is final which readies my case for appeal. Deputy Clerk Missy Bergman also claims that my Paupers Affidavit that was **GRANTED** by the Honorable Judge Murphy C. Miller in the above referenced case is no longer valid. This is in fact not true.

I look forward to hearing from you on this important matter.

Peace and blue skies,
