

TAPE 1, SIDE A

PARDON!

[Machine - Message Two - message to ring]

Male: Okay. Kerry. Got arrested today. And uh, they arrested me for three different counts of, uh stuff. I guess you know about that. But uh, I didn't think I was really gonna get arrested. I just took a jump this past weekend. Was doing real good in skydiving. I was \_\_\_ to level five. I'm on level five now. {sighs} Thought things were going pretty good but uh, guess you'd just wanna - so there goes my chances for a car. I don't have that anymore now that I got this on my record. I just wish you would consider - ~~you really hurt me very badly~~. And uh, I - I've gotta go to court on this, but I sure wish you would consider not pursuing these charges against me. But if that's what you decide to do that's what you're gonna do. I can tell you that. Uh, but you know it's difficult for me. I hope that this is what makes you happy, gives you satisfaction. I wish you would consider discussing it with me. I'm not - I still love you. I have love for you. I - I know you do things sometimes out of reaction. Just wish you would have forgiveness for me and understand that I was going through a difficult couple of days there as well. I am explaining that to you. I've - I've been doing good ever since then. Better. It's very difficult. But anyway, I wish you would consider discussing it with me, talking about it, recommend, work something out.

PLEASE

~~Bye~~ I DID NOT SAY BYE HERE!
