

Judge Adele P. Grubbs  
Superior Court of Cobb County  
Cobb Judicial Circuit  
30 Waddell Street  
Marietta, Georgia 30090-9642

Dear Judge Grubbs,

January 21, 2010

This letter is to inform you that Plaintiff has filed a **Pleading and Response to Hearing on why Plaintiff's Appeal should not be Dismissed** (dated January 19, 2010 and hearing scheduled for February 12, 2010), regarding Civil Action No. 07-1-10459-42, in the Superior Court of Cobb County.

It was disheartening to the Plaintiff to learn that this case was back in Your Honor's court, as Plaintiff had hoped for a new judge in a different court to hear his appeal. But so be it and let us move forward with this case.

Having done a Google on Your Honor, Your Honor did not fair too well by the judgments and conclusions of others, but Plaintiff does not base his observations on such judgments and conclusions. Plaintiff has also learned that if you let a case go forward that you do not waste time on hearings and pleadings, but rather move things forward to trial in order to have a case heard before you.

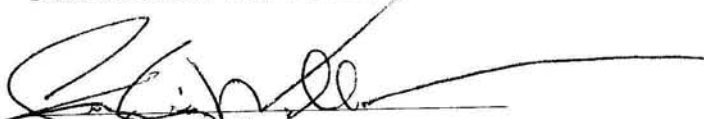

Plaintiff understands that you have specific formats that you want things to be filed. If Plaintiff could get with you or your staff on specific filings he could learn just how to do a filing that would satisfy Your Honor, as that is the Plaintiff's intent.

Because of the Defendants actions Plaintiff lost his custom home and everything he had and now Plaintiff has little money and his life is extremely difficult. Plaintiff did not create this scenario, and this scenario was created only by the unlawful, dishonest, and unjust actions of the Defendant and the Defendant should be held accountable for her actions.

Plaintiff has a right to a Jury Trial by an impartial jury, and he demands such now.

If Your Honor has any questions regarding this case, please do not hesitate to contact the undersigned.

Blue skies and best wishes,

  
Kerry Craig Walker  
Pro Se/Plaintiff
