**CASE NO. 10-GC07231-1**

**DEFENDANT'S RESPONSE**

Defendant was not served with summons in the above styled case and did not get a copy until June 14, 2010. Defendant was delinquent of said funds to no fault of his own.

Kerry C. Walker was falsely arrested on September 16, 2001 for a crime he did not commit. Detective Preston Peavy set out to frame Mr. Walker and to manufacture evidence to show guilt. This long battle lasted over four years and Mr. Walker's charges were formally dismissed on November 23, 2005. Mr. Walker was forced to sale his custom home along with everything he owned in order to spend the very large sums of money to win this long battle. Mr. Walker has lawsuits pending on this case and his hope is to win judgments and to pay this debt.

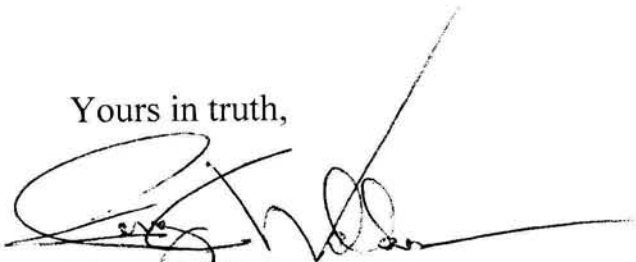

Mr. Walker only works part time at Advance Auto Parts making \$8.00 per hour and it is difficult for him and his wife to survive on their income.

Mr. Walker has hearings set up on said lawsuits coming up in August and September.

If it pleases the court, Mr. Walker only request mercy by the court in this case and that his prayers be answered.
