Re: Kerry Craig Walker vs. Cherokee County,
Georgia Sheriff, et al.
Cherokee Superior Court Case No. 07-CV-3325-EM

Dear Marc:

I received your letter of September 29 concerning the motions pending in the above captioned civil action in Cherokee County. As you are aware, the State is in a budget crisis, and as a result of the 6% reduction the Governor ordered for the Superior Courts of Georgia, the Superior Court Judges Council decided in August to no longer use Senior Judge assistance. Therefore, all cases assigned to Senior Judges were returned to the District Court Administrator (in Cherokee County, this would be Steve Ferrell) for redistribution to active Superior Court Judges. In other words, I am no longer handling this case.

I don't know whether or not the case has been reassigned; however, Steve Ferrell can probably answer this question.

Very truly yours,

W. A. Foster, III
Senior Judge, Superior Courts,
State of Georgia
